Incident Summary: On Monday July 10, 2017 at approximately 3:50 p.m. the Columbus Division of Police received a call and were requested to respond to 4591 Lakeside S. Dr. regarding a juvenile that was apparently not breathing. The Columbus Division of Fire arrived to render aid and transported the juvenile to Children's Hospital Medical Center. Kanye Champelle did not recover and was pronounced on July 12th at 3:31am. Initially no foul play was suspected. The autopsy report established through a toxicology examination that Kanye had fentanyl and acetylfentanyl in his system. The case was investigated by detectives from the Columbus Police Homicide Unit and determined that the suspect is responsible for leaving her residence with five juveniles present and no supervision. During that time period Kanye was exposed to this deadly drug which ultimately caused his death. This case remains under investigation.

Anyone with information regarding this homicide is asked to contact the Columbus Police Homicide Unit at 614-645-4730 or Central Ohio Crime Stoppers at 614-461-8477.

Det. M. Grasham is the primary investigator.

This is the 102nd homicide of 2017.
